

Dental Insurance

CPC Integrated Health offers two dental plans through Delta Dental of NJ. The dental plans allow you to use in-network or out-of-network benefits. If out-of-network dentists are used, you will be responsible to pay the difference between Delta Dental's allowed amount and what the dentist may charge, also known as "balance billing." Please refer to the benefit summary, found at www.cpcbenefts.org/dental for further detail.
